

NATIONAL TOKENS

● HERITAGE ON A COIN ●

How to find LOCATIONS

First step: click on
COIN COLLECTION

You have two options: you can search a COIN or
a LOCATION.

SEARCH your COIN

Search your coin

Select a city or country to see the available coins in this specific region.

City

Country

Available

Search

SEARCH your LOCATION

Search Location

Write down a city and corresponding country to see an overview of the different places where you can buy coins.

Search City And Country

National Tokens project has gradually expanded into the largest international souvenir coin collection already covers more than 1000 coins in more than 40 countries.

It continues... We continue conquering new countries and launch new souvenir coins

[page](#) to get a sneak preview of our newest coins!

Yes to stroll through the collection. The coins can be filtered by coin

any single National Tokens coin that has ever been made

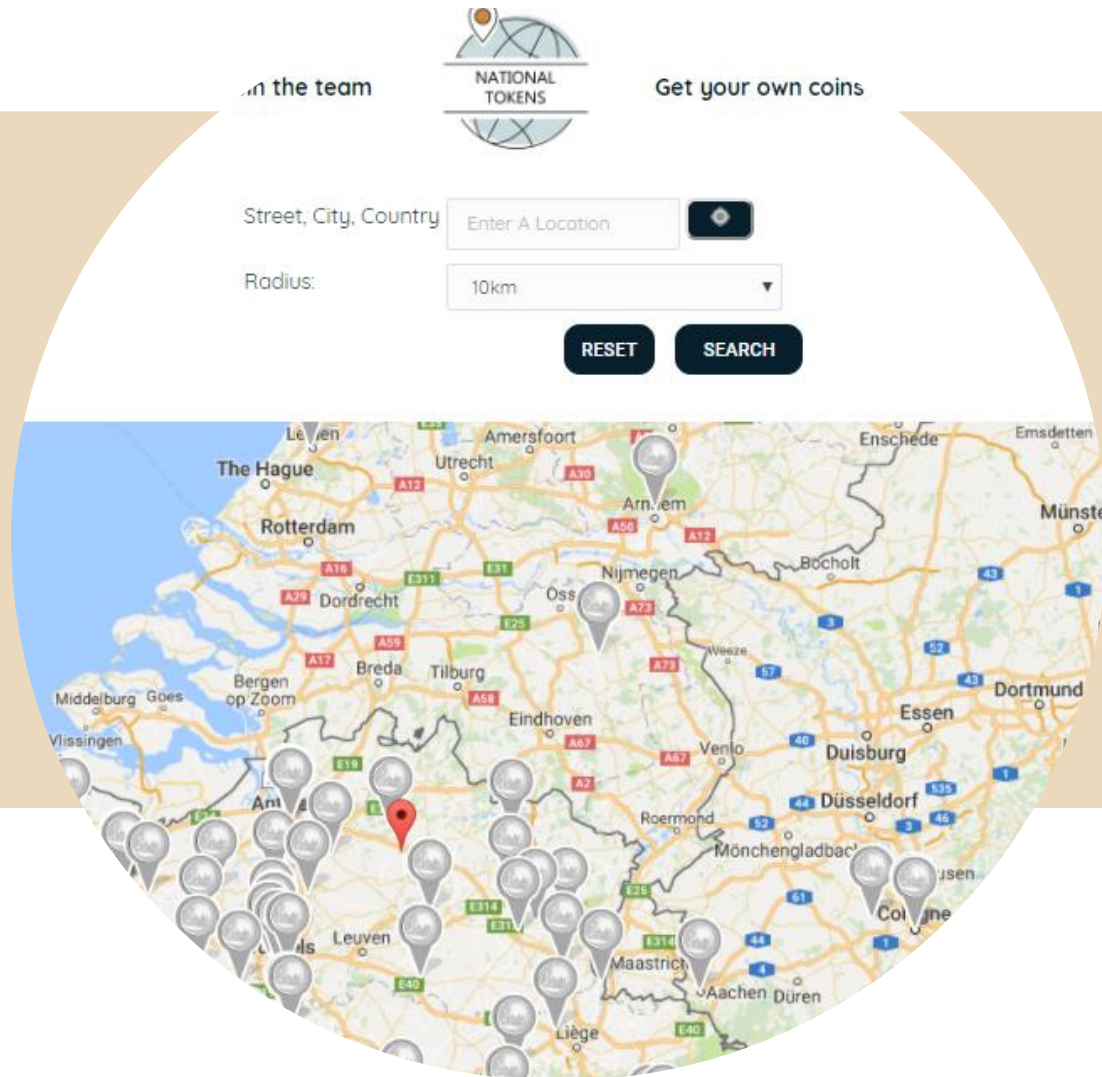

SEARCH your LOCATION

Click on the search button so that you can go directly to Google Maps

Search Location

Write down a city and corresponding country to see an overview of the different places where you can buy coins.

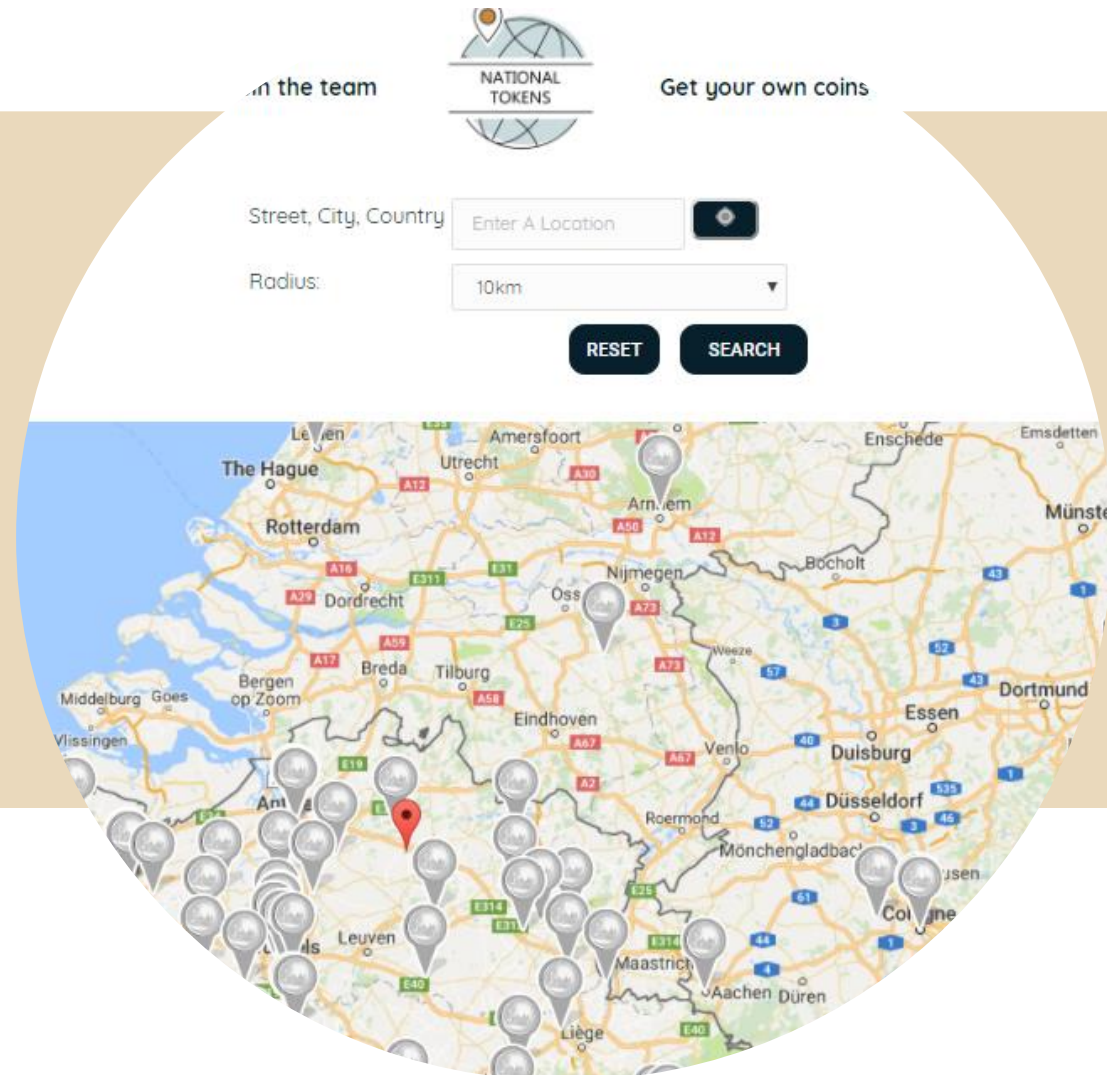

Search City And Country

SEARCH for a location

Write down a city and corresponding country to see an overview of the different places where you can buy coins.

Make sure your radius is large enough.

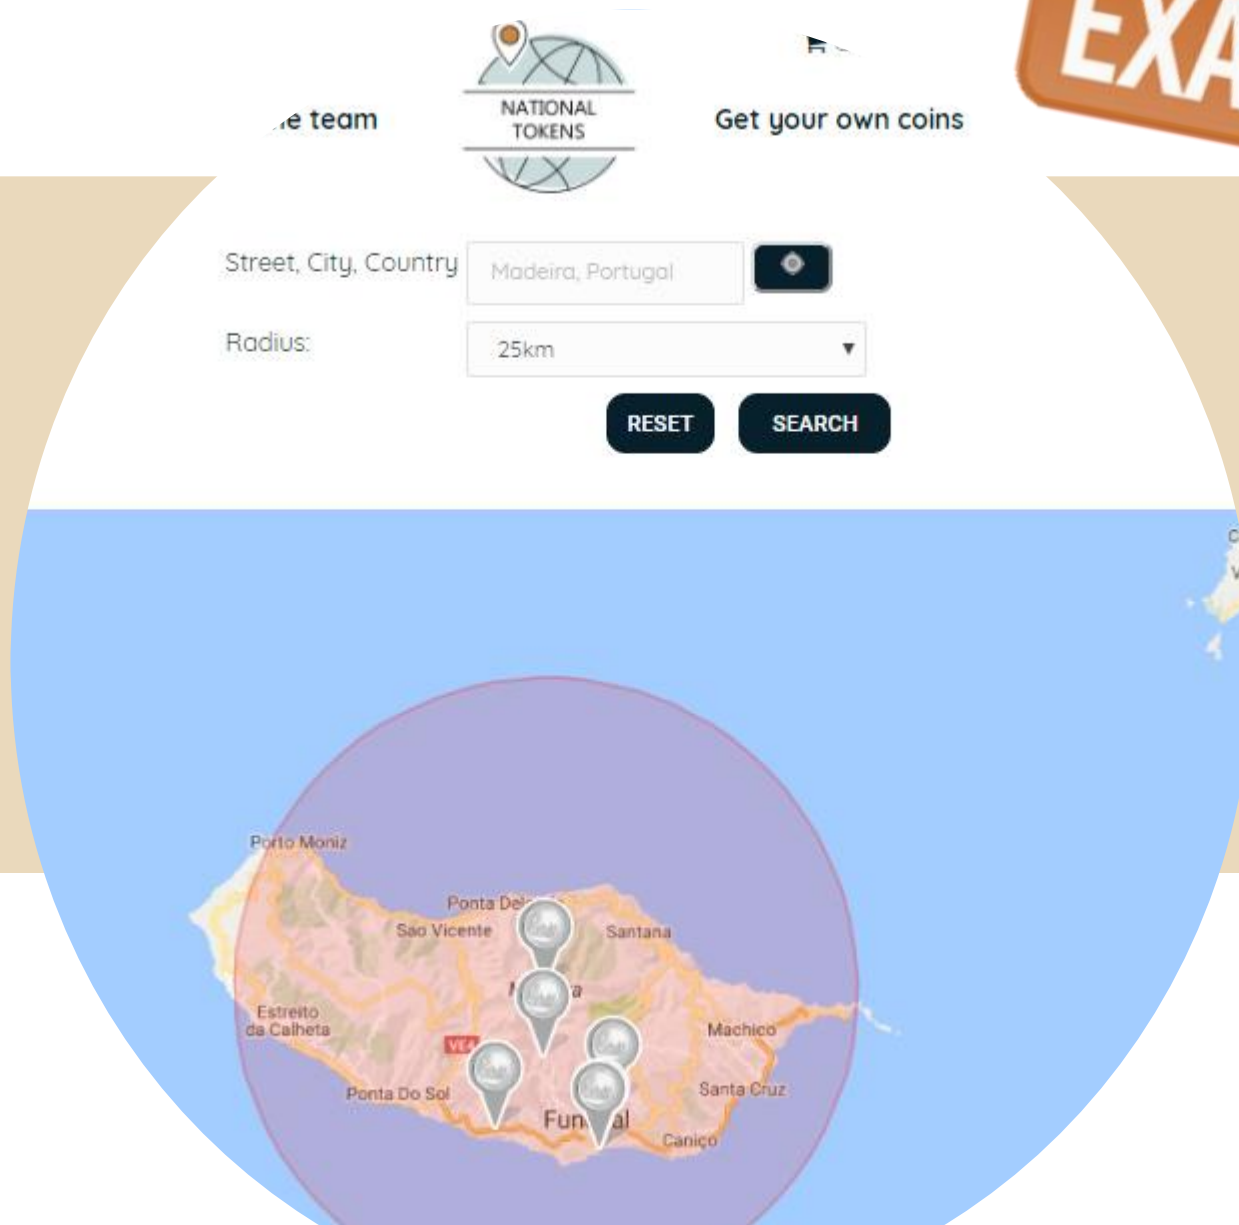

SEARCH for a location

I would like to see
where I can buy coins
in Madeira, Portugal.

Write down this city
and country, and click
on Search.

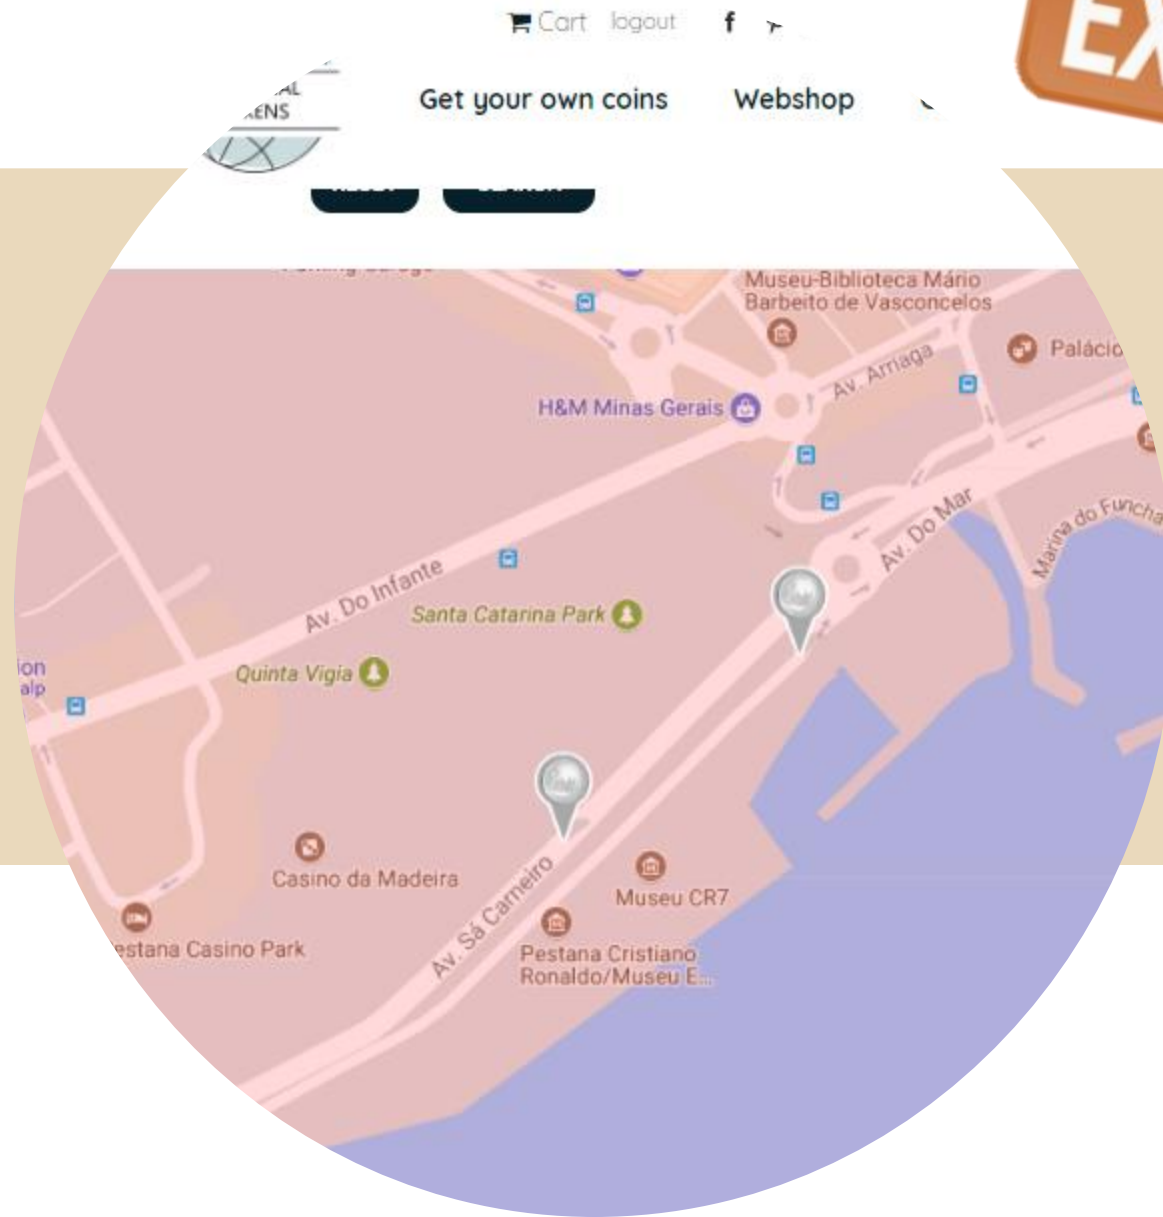

EXAMPLE

SEARCH for a location

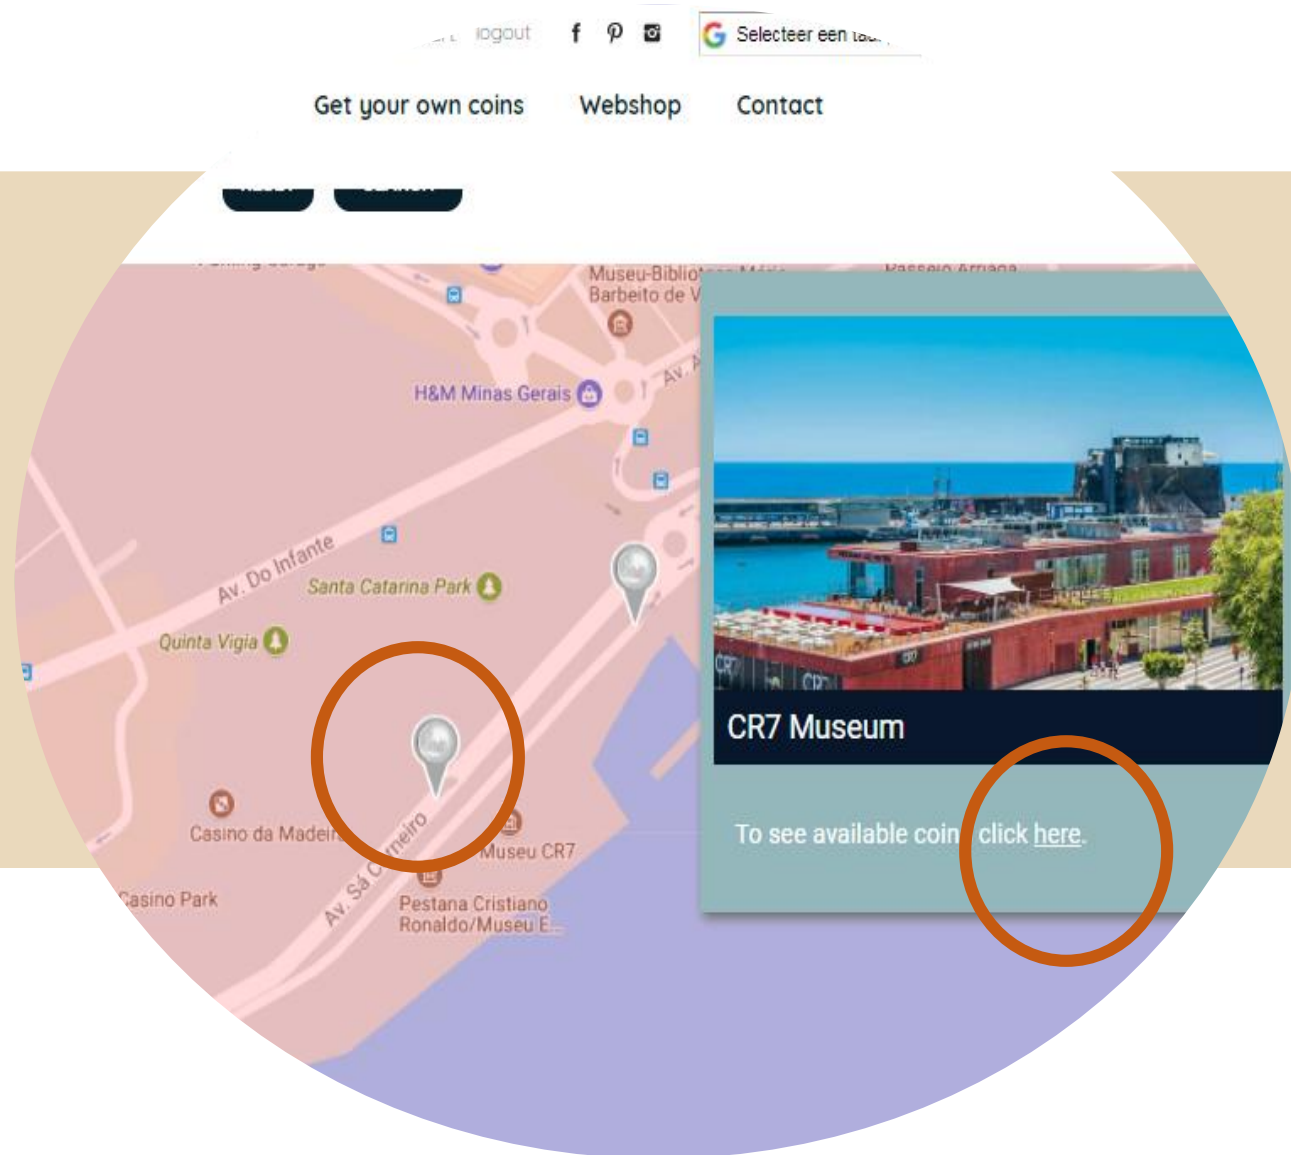

EXAMPLE

By zooming in, you get to see the exact location.

SEARCH for a location

Click on one icon, to see which coins are being sold there.

GOOD LUCK

Check the other powerpoint
'Search a coin' as well.
